

THANK YOU!

We are Proud to Grow our City with Inspiring Partners

CESL Asia and Friends Sport Fun Day 2022 was once more a great and impactful event! We would like to extend our sincere gratitude to all our Partners, Sponsors and Volunteers who have joined us to help promote values of equality and inclusion in our community and to raise MOP 110,000 in donations to support the athletes of Macao Special Olympics ("MSO") and its talent development programs. Together we demonstrated the social impact that companies and individuals can have on our society growing a better future with more opportunities for all.
