SMURFS VILLAGE OPENS AT GALAXY MACAU

The summer season at Galaxy Macau has started with the launch of the elaborate "The Smurfs 2 Summer Village" at the resort's East Square. Inspired by the upcoming movie "The Smurfs 2," the Summer Village is open until August 11.

Every day between noon and 9 p.m., the world of the Smurfs erupts into action with live performances and themed parades. The festive decorations and colorful Mushroom Houses also provide a delightful backdrop for photos. A host of Smurf-themed booths will keep fans of all ages entertained — whether they're playing a game against evil wizard Gargamel's "Naughties," doing fun DIY ac-

tivities, getting creative in the arts and crafts section, or going wild with tattoos and face painting.

The event will reach a glittering peak on July 28 when the

CELEBRATING ASIA AND MACAU SPECIAL OLYMPICS BOCCE GAMES EVENT

The Macau Special Olympics hosted a Bocce game at its headquarters on July 13. With this event, the organizer aimed to encourage the disabled to participate in sporting activities, giving them the opportunity to recognize their own potential and interest in the game. A total of 60 participants from different special schools, workshops and caring centers, together with family members, joined in the game. This competition was organized into different groups, according to age and skills, giving non-athletes and beginners an opportunity to participate, and to enjoy the fun of the sport.
